The above-captioned appeals are consolidated for purposes of this order.

The Appellants in both appeals move, under Federal Rule of Appellate Procedure 12.1, for remand of their cases to district court in order to obtain rulings on Appellants' Federal Rule of Civil Procedure 60(b)(6) motions. Upon due consideration, it is hereby ORDERED that the motions are GRANTED and both cases are remanded to the district court for further proceedings.

The Court will retain jurisdiction over the appeals docketed under 2d Cir. 24-874 and 2d Cir. 24-875. *See* Fed. R. App. P. 12.1(b) (allowing remand after an indicative ruling and retaining jurisdiction in court of appeals). The parties must promptly notify the Court when the district court has ruled on the Rule 60(b)(6) motions and whether the appeals should be dismissed at that time.
